

Outline: **Experiential activities**

Author: Emilia Siakoveli – social studies teacher

School, country: Lyceum of Kato Achaia, Greece

Subject: Activity that focuses on Acceptance and Collaboration.

Title of the activity: “Find the place”

Duration: 2 hours

Recommended classes: All Gymnasium and Lyceum classes

Date: February 2018

Find the place! A Hidden Treasure Game

Objectives

- Improving teambuilding.
- Improving communication skills.
- Cooperation, acceptance and trust between students.

Description

- ✓ A group of classmates (aged 16-17), consisting of second generation immigrants and locals, was divided into three groups of 4-5 persons each one.
- ✓ Three photos from three different places of the school were given to the groups and then the groups were asked to find these places and take similar photos.
- ✓ Continuing the activity, each group is asked to make a new proposal by photographing another place of the school and inviting next teams to find it, photograph it and make new proposal to next groups.

Further Evaluation

At the end of the year may be issued an album with the most interesting pictures from this activity.
