

Cooperation and Good Will Agreement between Lyceum of Kato Achaia and Municipality of Western Achaia

The result of the cooperation between General Lyceum of Kato Achaia and the Municipality of Western Achaia, within the framework of the activities of the Erasmus+ RESPECT program, is the signing of a "Cooperation and Good Will Agreement" between the Lyceum and the Municipality.

The agreement was signed during the meeting of Erasmus+ team and Municipality representatives which took place in the Town Hall at 24 May 2018.

With this agreement both parts commit themselves to continue to work together in order to cope with the phenomenon of social exclusion of young people, the municipality through its policy for abolishing the social inequalities and the social structures at its disposal and the school by demonstrating its pedagogical approach and sensitivity to issues that may arise in school life.

Agreement for Cooperation and Goodwill

The present document certifies that

Municipality of Western Achaia and General Lyceum of Kato Achaia

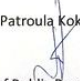

within the framework of the two-year Erasmus + Key Action 2 program "R.E.S.P.E.C.T. - Respectful European Schools Pursue Equality & Cultural Tolerance» 2016-1-ES01-KA219-025156_5 that is implemented by General Lyceum of Kato Achaia in the years 2016 - 2018:

commit themselves to continue to work together in order to cope with the phenomenon of social exclusion of young people, the municipality through its policy for abolishing the social inequalities and the social structures at its disposal and the school by demonstrating its pedagogical approach and sensitivity to issues that may arise in school life.

The aim of collaboration is to deal jointly with the inequalities, by both contributing with all the available means in order to remove any obstacles that might exclude young people from school education and social adaptation.
